Continuing Education Programs For
Realtors & Home Inspectors

MAIN TOPIC: METH LAB AWARENESS

Health Hazard Risk to: Realtors - Appraisers - Home Inspectors

If you are going in and out of homes you are not familiar with you should not miss this!

This con. Ed. Program will also have a brief opening discussion on mold / air quality and the new Michigan disclosure statement as of Jan. 2006

Date: Thursday, **September 28, 2006**

Registration: 5:30 to 6:00 p.m. **1st Topic:** 6:00 to 6:30 p.m. (Briefing of mold & disclosure)

Dinner: 6:30 to 7:00 p.m.

2nd Topic: 7:00 to 9:00 p.m. (METH LABS)

Location: Branns Steakhouse & Grille

5510 28th St., SE, Grand Rapids, MI

Speaker: Eric Pessell, Director of Environmental Health Division and Barry-Eaton District Health Department. Eric has 12 years in local public health; he is on the Meth task force and substance abuse advisory council.

The Meth awareness talk will cover what Meth is, what it does to the user, what is a lab and what it looks like, what are the health effects of the chemicals used in a Meth labs, what cleanup requirements are out there in Michigan, & what's on the horizon legislatively...
